CSJ:

## Lake Conroe Forest – Weekend Road Closure

Dear Lake Conroe Forest HOA,

Larry Young Paving is writing to inform you and the residents of the Lake Conroe Community of the road closure that will take place on Navajo Dr. on Saturday the 14<sup>th</sup>, 2024 at 8am and our plan is to have the road open back up to the residents by EOD Saturday the 14<sup>th</sup>, 2024.

The section of road that will be closed is on Navajo Dr.

Location – Crossing 1, which will be in between the first entrance of **Mohawk Bend and the Entrance of SH-105**. Type 3 barricades with Road Closed signage will be placed at both ends of the road section and additional signage informing residents of road closure ahead and detours will be placed at specified locations marked on the traffic control plan. Residents will have multiple access points to get in and out of the neighborhood by traveling from Navajo Dr. to Mohawk Dr. and take either Commanche Rd. to Shawnee out to SH-105 or take Mohawk Dr. to Cheyenne Rd. and travel to Shawnee out to SH-105 and vice versa.

A traffic control plan will be provided as well, that will detail the signage areas marked for visual representation of where the sections will be for the road closure that will take place during construction operations. If you have any questions or concerns the contact information for the Larry Young Paving project management team is provided below.

Mark Moreno – Project Engineer – 713.398.1561 - [m.moreno@larryyoungpaving.com](mailto:m.moreno@larryyoungpaving.com)

Rob McFarland – Project Manager – 346.533.9894 - [r.mcfarland@larryyoungpaving.com](mailto:r.mcfarland@larryyoungpaving.com)

We at LYP appreciate your understanding while construction operations are taking place and we will do our best to ensure that the Lake Conroe Forest residents are properly directed for travel during construction operations and the scope of work is completed in a safe and timely manner.

Thank you.

Mark Moreno
